

Central Aid Furniture Project – Registration Form

West Richardson Street, High Wycombe, Bucks HP11 2SB Tel: 01494 443459

Please complete this form to become a registered client of the Central Aid Furniture Project. Registration allows most goods to be purchased at a discount, and gives access to stocks of certain restricted items such as beds. Please bring proof that you are in receipt of a qualifying benefit (such as a recognised means-tested state benefit) with you.

The High Wycombe Central Aid Society is an Equal Opportunities organisation.

The Central Aid Furniture Project operates primarily as a charitable provider of furniture at an affordable price to those in need (normally those in receipt of means-tested benefits). Please sign below to confirm your acceptance of our conditions:

1. Goods shall not be purchased for the purpose of trade or for re-sale. We reserve the right to refuse sales or suspend your registered status if we believe you are engaged in trade or excessive use as a registered client. **All registered clients are subject to a 'fair use' limit on the quantities of certain restricted items that can be bought.**
2. Any items purchased must be for your own personal use at your registered address, and will only be delivered to just inside that address. We do not normally deliver upstairs or position goods within your home unless specifically agreed in advance with us.
3. Proof of eligibility will be required. Your registration is normally valid for 1 year, after which you will need to re-apply with current proof of eligibility (such as a recognised means-tested state benefit). You will receive a Discount Card after registering which you must bring with you when making a purchase of discounted items. We charge £1 for replacing lost Discount Cards.
